### REPORTS:

WOMEN - Lois Anderson

June has been a wet month and we have missed 2 Tuesdays, one was able to be transferred to a Thursday.

The usual players Tuesday schedule has had to be altered to suit the conditions and some matches have had an extended time to be played in. The final for the Hewton has yet to be played plus the Murphy which is the plate round for the Hewton. Only 2 players contested the Duncan.

The Eve Hurdell match -play competition will commence later in July. This has been shifted because of cancelled days.

On 22nd June we had a Mid-winter lunch after playing golf. Ladies wore their 'furs' and we enjoyed a festive time. Mulled wine was a warm starter to the afternoon.  
With frosts and heavy conditions many players are finding the golf a challenge.

#### MEN'S & MIXED MATCH - Scott Saunders -

June was marred by wet weather with several competitions delayed.

Competitions completed are

**Cornish and Tweedy**—

Kevin Logan—

Alan Banks—

Mike Lee—

Lester Foulds

**Townley and Neal**—

Bruce Reid - Nett Strokeplay—

Mike Lee - Putts

Some feedback from members re qualification rules for competitions when the field is not full - The match committee will meet and discuss

Also feedback around correct application of matchplay rules (i.e. the lowest handicapper going back to zero) - Again the match committee will review.

Finally - A number of members have commented on the amount of trophies we have and the subsequent low level of qualifiers. I would like to seek direction from the committee in terms of if and how we would tackle this issue.

FINANCE - Leslie McAuley - Tabled and discussed

HOUSE - Dale Pamment

Big thanks to Ross Pamment for volunteering his time to complete the following jobs:

The trees in the car park have been trimmed.

New Screws in the roofing iron above the Kitchen.

Water Blasted and cleaned all cobblestone areas around the clubhouse.

Replaced and repaired the boot cleaners.

Replaced Globe and fitting on outside corner light.

Trimmed Shrubs near French doors.

The leak at the rear of the Clubhouse has been fixed but not yet covered up. Also the urinal in the Men's Changing Rooms has been fixed.

## Bar Report John Rennal

A big thanks to Dale for looking after the bar whilst I was away. Everything went smoothly and no issues arose as far as I'm aware.

Also to Brent for producing the bar till reports which supply me with the information on how the bar is performing.

As well to Ange for preparing and submitting the applications for funding of the chiller upgrade. I'll be working closely with the successful tenderer to have this work undertaken.

## Club Liquor License

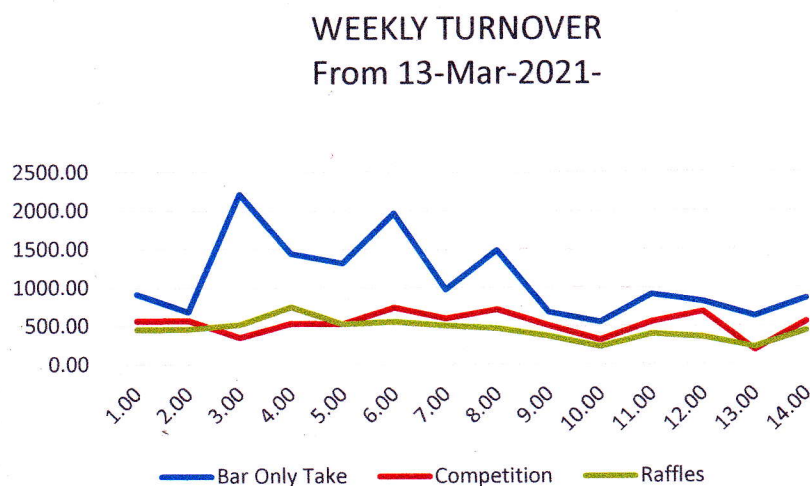

Our club liquor licence expires 11 September 2021. May I suggest, that to ensure the renewal process goes smoothly this time, all information and requirements are in place early. In particular, paperwork on previous renewals. I am willing to assist if required.

## TURNOVER

Well, the weather hasn't been kind and the course closures didn't help turnover. The graph below confirms this. The cold days during competition days has stymied peoples drinking habits as well.

## GREENS CONVENOR - Mike Bond

1. The course is starting to dry out , with the wet weather Blair had time to fix fairway mower which still cost around \$1000 doing it himself
2. Still a bit too soft for the screen to be installed
3. Coring contractors booked for October□ New mower should be here October/ November
4. Blair not happy with bunkers not being raked even though he purchased more rakes and the bigger bunkers have two rakes in them
5. Plenty of pine cones around the course if anyone wants to come and pick them up
