- Don't scrape or scuff sprigs on the green.
- Move quickly from the green to the next tee area.

- Leave the rake in the bunker at the side OR in the rake holder provided.

ETIQUETTE

1. The etiquette of golf as printed in the 'Rules of Golf shall be observed at all times.

3. Keep your course tidy. There is a place for rubbish- please use it.
4. Always replace divots and repair pitch marks on the greens. Please rake bunkers.
5. The competitor with the lowest handicap shall be responsible for etiquette within the group.

CHECKING SCORES

The competitor shall check his score for each hole, settle any doubtful points with the committee, ensure that the marker has signed the card, countersign the card himself and return it to the committee as soon as possible.

The competitor is solely responsible for the correctness of the score recorded for each hole. Cards must be handed to the committee promptly on finishing a round. Marker, please make sure player has filled in differential correctly. All queries and disputes should be referred to the Captain, and/or Match Committee.

PRACTICE

Practice is permitted only on the designated areas (1) at the net as defined (2) on practice area left of No. 6 fairway (3) on No.6 fairway (for long shots) and other designated area.

RULES AND CONDITIONS FOR THE CHALLENGE MUGS

Where a pair challenge the holders playing combined stableford.

When one of the challenged is not available, a substitute must play on the holders default. A challenge may be made at any time and played when convenient to all. See rules on notice board.

STROKE

The score of each hole is entered on the score card, totalled and the player's full handicap deducted. The player who completes the stipulated round in the fewest strokes will be the winner.

PAR

In Par play, the score is entered on the card in the same way as with stroke play with the exception that where the score exceeds par for the hole, after allowing for handicap stroke (if the player is in receipt of one or more) the score need not be written in. It is the custom that when a player is beaten by Par the ball shall be picked up. This helps speed up play.

After entering the stroke score on the card, the result is marked in the column provided with a "plus" sign for a win or "0" for half and a "-" for a loss. At the end of the round the plus and minus signs are added, and the nett result written in as so many "up", "down" or "all square".

A player is allowed the full handicap and the strokes are taken at holes as indicated on the card.

Where the limit of handicap is 19 or more, two strokes will be allowed on some of the holes. These strokes will be taken in the same order.

STABLEFORD

This system of scoring by points was introduced by Dr Stableford of Liverpool Golf Club in 1931 and has become very popular.

The popular method of playing a Stableford competition is for the player to take strokes at holes as in Par competition using handicap and to score points on the nett results at each hole. At the end of the round all points scored are added up and the player having the highest number of points is the winner.

In scoring without allowing for handicaps a player who scores Par receives 2 points, 1 over Par, 1 point. For birdie or 1 under Par, 3 points. For an eagle or 2 under Par, 4 points and so on.

For example, a player receiving a stroke on a par 4 hole scores 4 giving him a nett 3; for this he receives 3 points. A player at a par 3 hole scores a 4 but does not receive a stroke, for this he would receive 1 point.

MULTIPLE STABLEFORD

Same scoring as above but:-

Example - player 1 scores 3 points, player 2 2 points, $3 \times 2 = 6$ points

Player 1 scores 3 points, player 2 scores nil. $3 \times \text{nil} = \text{nil}$.

FOUR BALL PAR

Two players play as partners, each taking strokes at holes as in Par competition.

If one of the partners wins a hole and the other halves it only the win is counted.

If one halves a hole with par and the other loses it only the half is counted and so on. Plus, half or minus signs are added at the end of the round and recorded as in an ordinary Par competition.

FOUR BALL STABLEFORD

Play in exactly the same manner as above, except that the better ball of the partnership will be credited with points instead of plus, half or minus.

FOUR BALL STROKE

Two players play as partners, the lower score of the partners is the score of the hole, only the score need be entered on the card.

FOURSOMES

Two players play as partners and use one ball. The partners play alternatively from the teeing ground and alternatively during the play of each hole. Scoring is done as for a stroke round and the total is subject to a deduction of half the partners aggregate handicaps.

CANADIAN FOURSOMES

Played as above except that both players play tee shots at every hole and afterwards continue with whichever ball they nominate. Handicap allowance is 50% of the aggregate stroke.

AMERICAN FOURSOMES

Both players play tee shots at each hole, then play a second stroke with their partner's ball. One ball is then selected and play proceeds as in foursomes with the owner of the ball elected playing the third stroke. Handicap allowance of 40% of aggregate stroke.

BISQUE

Where a competition is headed Bisque, it is played in accordance with the instruction previously described with the exception that the players take their handicap strokes on the holes they choose. Any number of handicap strokes may be taken on any hole, but total number of handicap strokes taken must not exceed players handicap.

EQUITABLE STROKE CONTROL

Equitable Stroke Control (ESC) is still a relevant procedure and it effectively brings your score, on a high scoring hole, back to the equivalent of zero Stableford points. The computer does this automatically now.

However, while you are playing and in the interests of speedy play and in competitions other than Stroke play, you may pick your ball up and record on your card a score, which is the equivalent of a zero Stableford Score.

HANDICAP INFORMATION

1. Write your membership number on all your scorecards whether playing at Lincoln or another course.
2. Scores should be legible and clear.
3. When playing at other Clubs please leave the card at the Club you have played to record the score.
4. Each Friday at Lincoln an up to date handicap list is posted.
5. However, this list is only relevant for Lincoln and only until you play a round and post a score.
6. You should use your Smartphone app or text 3673 to see your latest handicap index. Your handicap may change daily.
- 7 The phone now takes precedence over the posted printout.

Notes

20 Must Know Rules of Golf

1. Drop from knee height (NOT shoulder height)
2. Measure the area to drop in with the longest club in your bag (except a putter)
3. Drop in and play from the relief area
4. When dropping back-on-the-line, your ball cannot be played from nearer the hole than your chosen reference point
5. Time to search – 3 minutes (NOT 5 minutes)
6. If you accidentally move your ball when searching for it, replace it without penalty
7. No penalty for a double hit – it only counts as one stroke
8. No penalty if your ball hits you or your equipment accidentally after a stroke
9. No penalty if your ball strikes the flagstick when you have chosen to leave it in the hole
10. Spike mark and other shoe damage on the putting green can be repaired
11. Ball accidentally moved on putting green – no penalty and replace
12. Ball marked, lifted and replaced on putting green is moved by wind to another position – replace ball on the original spot
13. Penalty areas replace water hazards, and you can move loose impediments, ground your club and take practice swings in penalty areas without penalty, just as you can on the fairway or in the rough
14. You can't take relief from a penalty area unless you are at least 95% certain your ball is in the penalty area
15. In bunkers you can move loose impediments
16. In bunkers you cannot touch the sand with your club in the area right in front of or right behind your ball, during your backswing or in taking practice swings
17. Free relief is allowed if your ball is embedded on the fairway or in the rough (but "embedded" means that part of your ball is below the level of the ground)
18. Unplayable ball in bunker – extra option to drop outside the bunker for 2 penalty strokes
19. You cannot have your caddie or your partner standing behind you once you begin taking your stance
20. Pace of Play - it is recommended that you take no longer than 40 seconds to make a stroke (and usually you should be able to play more quickly than that) and Ready Golf in stroke play is encouraged

These changes are explained in more detail in the Rules Essentials videos which are coming soon to www.randa.org. Alternatively, read the PLAYER'S EDITION of the Rules of Golf or visit www.randa.org to learn more.
